Plaintiff,

JASON GOODMAN et al  
Defendant.

**REQUEST FOR  
JUDICIAL NOTICE  
OF RELATED  
ACTION**

Defendant, Jason Goodman (“Goodman”), by and for himself pro se, respectfully requests the Court take judicial notice of the transfer out of Southern District of Indiana, attached hereto as **(EXHIBIT A)**. In support of this request, Defendant states as follows:

**INTRODUCTION**

1. David George Sweigert (“Sweigert”) is a serial vexatious litigant and suspected mentally ill individual who has been cyber stalking and harassing the defendant since 2017.

2. Sweigert’s latest effort, a triangulation of vexatious litigation, brought actions in this Court, the Eastern District of Michigan, and the Southern District of Indiana simultaneously.

3. The defective Michigan action could not be served on Multimedia System Design, Inc., D/B/A/ Crowdsourcing the Truth, (“MSDI”) because it does not legally exist.

4. MSDI is a false corporate entity concocted by Sweigert as part of his scheme to continuously sue Goodman and to deny Goodman’s right to a pro se defense.

5. This deception succeeded in a previous case presided over by Judge Valerie Caproni, presently on appeal with the Second Circuit, (*See The National Academy of Television Arts and Sciences, Inc. v. Multimedia System Design, Inc.* Case 23-7952 (December 4, 2023)).

6. The third prong of Sweigert’s malicious three-pronged Lawfare assault has landed in the Southern District of New York. Yesterday, after having been savagely kicked out of

Indiana by Judge James R. Sweeney II, Sweigert's most recent defective legal action was transferred into SDNY and is attached hereto as exhibit a.

7. Judge Sweeney transferred the case inter alia, after Sweigert failed to follow an order demanding he file a new complaint pursuant to Fed. R. Civ. P. Rule 8(a), which he did not.

8. The defective Indiana case should be consolidated into the existing judicial mess created by Sweigert so it may be dismissed with prejudice after he is sanctioned pursuant to Fed. R. Civ. P. Rule Rule 11 for the myriad reasons already described and for his persistent, ongoing abuse of the law, the Courts and defendant Goodman.

### CONCLUSION

For the reasons stated herein, the Court should consolidate the related defective filing, *Sweigert v Goodman* (Case 1:24-cv-02203-UA) into this instant action to be dismissed with prejudice upon sanctioning of Sweigert and permanently enjoining him from ever filing as a pro se against Goodman or anyone ever again.
